

CHINA EXPLORATORY TRIP

Collaboration between POP's Foundation & Hawaii International Child

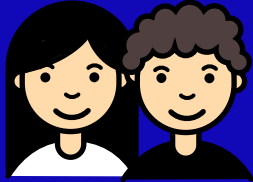

3 days of activities in Beijing from October 4th - October 6th 2018

We want to know what has been done for the orphans!

Perhaps we want to visit China one day.

We wonder what are the issues faced by orphans.

We consider adopting an orphan in the future.

We want to be the voice for orphans so they can find a family!

If that's you, join us this spring/fall!
