

POP's Foundation Donation Form

The POP's Foundation is a non-profit 501(c)(3) non-partisan organization specifically established to educate people in the United States and Canada on how to adopt orphans from China, while providing a loving and caring home for orphaned children with special needs at the Prince of Peace Children's Home in China. Currently it costs \$450,000.00 (USD) a year to operate the Prince of Peace Children's Home and your donation allows us to continue with our work of helping our children to lead a better life.

Please fill out the form below and include the completed form with your donation. God bless you for your generosity!
